

On behalf of Metro World Child I would like to thank you for your interest in donating towards our food pantry distribution. Your support will help us to be able create a balanced food box for the families of New York City.

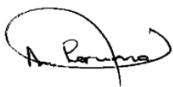

For your ease of reference, I have included a list of items we are in need of on the following page. Please note that this list is only our suggestion, we are flexible on receiving items that you wish to donate. While taking a look at items to donate, please remember to be mindful of the product expiration date.

We will be able to update you with pictures of distribution of the items you have donated. For any questions or concerns, please contact:
